LEGO BrickMaster

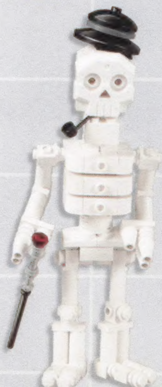

From the LEGO® Vaults

Welcome to the LEGO® Master Builder Idea Book! You'll find building instructions for 13 amazing LEGO models, created by real LEGO Master Builders David Gold, Dan Steininger, Steve Gerling, Erik Varszegi and Roger Cameron!

Before you begin building, check out the brick index listed in the back of the book. You'll find a complete list of the LEGO pieces used to create each model. If you don't have all the same exact pieces in your LEGO collection, feel free to get creative! We hope these models will inspire you to build lots of your own unique creations. To share your Cool Creation and see others from kids like you, visit www.LEGO.com/club.
